## Happy Holidays from your President

Well, the year is closing down and I have been staying in my office finishing up bookwork for 2010. It has not been too hard to stay inside when the temperature stays between 10 degrees above to 10 degrees below zero. I'm not complaining about not having any rain days this fall, but it sure gets me behind on bookwork.

Our crew stayed very busy this fall and when old man winter came he let everyone know how powerful he can be. We all should have known the great weather we had this fall would never continue. They call it average. Every year does it, and every year in the future will average as well.

I hope everyone had a very good year and safe too. With the holidays among us, we need to give thanks for all we have and enjoy our families and friends during this very special time of the year and all year as well.

I hope everyone has the time to come to the annual convention in January. It is a good time to visit with fellow contractors and get new ideas. If you only learn one thing new at the convention, it is worth going to.

In closing I know that this year seems like it went by too fast again and I didn't get a lot accomplished toward committee meetings, but tried to keep it in everyone's mind. We all need to work together and move forward for a stronger future for LICA.

Thank you from us,  
Randy & Dee Liddle

## Something new this year!!!

**Any contractor** can come to the convention on Sunday, January 9, 2011,

for **FREE**. Iowa LICA is encouraging Associate and Contractor members to invite prospective LICA members to the convention. As always, the booths will be open from 4PM to 6PM on Sunday. The Associate Hospitality Suites will open at 6 PM. There will be entertainment in the Court Yard that evening. Prospective members will be asked to register and will be given a name tag. The name tag will only be good for Sunday. Let prospective members know that if they join Iowa LICA, they will receive free registration to the convention. If you have any

questions about this, please give me a call at 319-240-2420 (cell).

**Fax or email those new members to me now!!!! Fax number is: 319-334-6095 or email: [ialica@indytel.com](mailto:ialica@indytel.com)**

## **14th Annual Iowa LICA Auction**

With the help of **Hilpipre Auction Company** and all the great LICA members for their donations and purchases, we have been able to offer many more benefits to Iowa LICA members. The Iowa LICA Auction will be held on Monday, January 10, 2011. Please help out the auction by donating merchandise and bidding on items. We hope to have another great auction this year so we can put on another great field day and expo at the farm next July.

*Hawkeye and Cyclone fans, now is the time to show your true "colors" Kerry Hickenbottom of Hickenbottom, Inc. has donated two Longaberger Collector Baskets. Both baskets have carved lids and are full of "goodies". We hope to have a contest to see which one will bring the most---let's find out who is the real winner in Iowa---will it be the Hawkeyes or the Cyclones. Monday night will be the real test of school loyalty among Iowa LICA fans!!*

There will be many other donations to choose from, some small and some large. I even heard there may be a battery powered bicycle! Items such as a sump pump, tools, crafts, machine rentals and the list goes on.

## **Midwest Construction Expo & Field Day 2011**

As one year goes by another begins. This is the year of the 2<sup>nd</sup> Biannual Midwest Construction Expo & Field Day. The expo will be held on July 27 and 28, 2011 at the LICA Farm ½ mile east of Melbourne, Iowa. Over 1000 people attended the two day event in 2009. The excitement of the expo has already gotten people talking. If you didn't make it to the expo in 2009, we hope to see you this year. Associate members will be bringing equipment in from all over the state. You won't want to miss this one. Put this event on your calendar.

**If you need any information about the convention call me at 319-240-2420.**
